ACKNOWLEDGMENT

Chief acknowledgment goes to original author and project creator Lisa Thomas, without whose vision this version would have been impossible.

THANK YOU TO . . .

The Brigham Young University **Marriott School of Business** Dean's Office for unwaveringly providing supporting resources needed to create and continually update this open textbook: Dean Brigitte Madrian, Associate Dean John Bingham, Associate Dean Bonnie Anderson, and Associate Dean Eric Teel.

The **Friends of the Harold B. Lee Library** and the late **Jennifer Paustenbaugh**, former University Librarian at BYU, for generously supporting the original edition.

Dr. William Baker for being a role model and inspiration.

Our students who light the world as they enter to learn and go forth to serve.

LICENSING INFORMATION

This is a **free** textbook. It represents hundreds of hours of scholarship, writing, and editing work. It is licensed under a CC BY 3.0 (Attribution) license. This means that you are generally free to share and adapt the contents of this book as long as you provide proper attribution.

Some embedded content in this book (such as YouTube videos) may not be licensed in the same way as the book generally. Before using embedded media content in your own project, please check the license on the specific resource.

Since this book contains a collection of resources, not all are licensed in the same way. Please refer to available licensing information on individual chapters if provided, because **licensing on individual book elements (e.g., chapters, videos) overrides the boilerplate license for the book**.
